

IN COUNSEL *with*
WOMEN

FACT SHEET

Our Mission

In Counsel With Women is committed to the development of professional relationships among top executive women in Northeast Ohio. We are a resource for executive women to meet, grow professionally and expand their sphere of influence.

Membership

Membership is by invitation and is limited to 125 active members. A new class is welcomed every year. Annual dues for active members are \$400. Members of In Counsel With Women have achieved the highest level of accomplishment in their professional and community lives. Although attendance is not required, we encourage women to participate in a minimum of two events a year to gain meaningful interaction among members.

Calendar of Events

In Counsel With Women has four signature events a year that are for members only and free of charge:

- Winter reception
- Spring in-home dinners
- Summer reception
- Fall in-home dinners

In addition, In Counsel provides members many opportunities for casual socializing, such as our monthly “Wicked Wednesday” happy hours, plus access to select events and people of note throughout the year by partnering with community organizations as well as with education and corporate sponsors.

Governance/Structure

In Counsel With Women is governed by a volunteer board of directors with an executive committee and committee chairs. Committees include membership, connections, finance, development and communications.

Benefits

You will have the opportunity to learn and grow, and to build meaningful relationships with other successful and influential women. Our success is not measured by attendance (our members have the busiest calendars in town), but by the richness of the experience.
