Member News

Karen Haefling spoke at the American Advertising Federation's Cleveland chapter on the "Vitamix Global Brand Refresh" on May 10. On May 19, Karen was the keynote speaker at Interact, a conference by the Taylor Institute for Direct Marketing, which is part of the University of Akron. Her speech was "Building a Global Brand in an Interactive World". She was also named Direct Marketer of the Year by the Taylor Institute.

Geri Presti was honored by The Rose Centers for Aging Well. She received a Golden Achievement Award for Community Service at their awards gala on May 7.

Sue Tyler recently announced her transition from Medical Mutual. She writes: "In the BE BOLD spirit of our last retreat, I have decided to transition from Medical Mutual. It was a very difficult decision after 15 years, but I am really excited about the chance to pursue other professional and personal interests. I am currently interviewing for a corporate board and plan to explore other traditional and non-traditional opportunities. Free agency is both energizing and unsettling. I welcome your advice and really appreciate your professional and personal support." Please update your contact info for Sue to her personal email and cell phone:
